Focus On Your Photos

Independent Registered Dental Hygienists across Canada provided free dental hygiene treatment for those in need on February 11 as part of the Ontario Dental Hygienists' Association's Gift From The Heart program. Georgetown resident Susan MacPhail (left), with the help of volunteers Lesley Royle (centre) at the front desk and Jessica MacPhail (right) assisting, opened her new Acton dental hygiene clinic to provide free preventative cleanings to 15 Halton Hills residents. The response to the Gift From The Heart program was so popular that Susan added a second and third free Gift From The Heart day for needy clients.
