APRIL IS CANCER AWARENESS MONTH

A local Support System

CASHh has spring fever!

PHOTO: RYAN MC VAY / THINKSTOCK

April is fast approaching for our campaign of funds. For 12 years now Cancer Assistance Services has proven its power to care in our community. During April, invest and believe in the people and ideas that matter!

Perhaps it doesn't matter to you today; however just imagine being diagnosed with cancer. Most are faced with treatments of surgery, chemo and / or radiation. Mustering up the strength to battle this disease usually is secondary to the stress of managing sick leave, care of children and home responsibilities.

CASHh lessens the stress by providing transportation or will reimburse for parking expenses when a family member does the driving. Food supplements to withstand weight loss, relaxation programs to regain strength, balance and energy, wigs, night hats, pretty scarves, special pillows for those in treatment, some equipment loans or help in the home when needed.

The For Goodness Sakes program has proven a blessing to patients, and is designed to help ease the pressure of what cancer does to families. The April Residential campaign is our major source of income, and when someone knocks on your door this is your opportunity to give generously. Please be assured your donation is going directly to services; it takes millions of dollars to fund research, but a small donation will go far in our organization.

Donation dollars are very important to keep our organization vibrant. It's imperative to make a well-informed decision when canvassers start knocking on your door. We hope we can count on you to give generously because we can't imagine Halton Hills without CASHh.

Catch the Fever.
We are unique.
DIG DEEP
