

Anthony John Matthews
"Tony"

The family thank the many people who have felt our sorrow at the passing of such a fine man... Georgetown Runners, Pratt and Whitney colleagues and retirees, friends near and far. The Sunnybrook team, Dr. Pelletier who fought for funding for such a rare cancer, Dr. Walsh and nurse Melba. Credit Valley's Dr. Glen Jones who gave Tony 10 extra years of life with his pioneering radiation procedures and nurse Julia; always there to help us through. Dr. R. Bourns our local GP for 32 years. Dr. Furness, Dr. Zeni, all the kind caring nurses, and Physio and staff of the Georgetown Continuing Care Complex. The Acclaim health nurses Ruth, Rupi and Jericho. Sheila of CAS who at all times was very supportive. Rob and Jason of Jones' Funeral Home for their expertise in presentation. Geoffrey for reading the Eulogy, David leading the way with the pipes and the poem, Don, Adria, Colin, Terry, Wally and Charlie for their special words. The Rev. Mario Charpentier Chaplain of the Georgetown and Milton Hospitals, grateful thanks for helping Tony on his journey to eternal life with the knowledge we were all there to love and support him; in return he managed to wait just a little longer to awake and see his granddaughter in a miracle of will power, the last marathon. Also with your guidance the life changing impression when we experienced God's presence in the final days. Rest in Peace dear Tony, beloved husband, father and grandfather to Elaine, Ellen, Greg and Pepper Lily, Tania, Mike and Wyatt.

WE would like to thank all our friends and relatives who joined us in Frank Kirk's celebration of life. He would have been so proud. Thank you to the Ladies Auxiliary for the lovely luncheon.

Sheila Kirk,
daughters, Kim and Stacey Hamilton

Rural Voices Network launches 'Let Your Voice Be Heard' survey

Your voice is important to rural Ontario! This truth is the basis for the participant driven survey distributed to over 10,000 rural residents in Ontario.

The Rural Voices Network (RVN) launched the 'Let Your Voice Be Heard' survey to examine what enables rural citizens to participate in the common life of their community, and to identify barriers to rural civic engagement.

"Rural community members are the grassroots of rural Ontario. Their voice, knowledge and experiences are the real testimony in trying to understand how to boost rural civic engagement.

The importance of factoring in the rural voice, and grassroots understanding to the issues and needs of rural citizens is key to developing collaborative solutions," says Lynn Ruigrok, Federated Women's Institutes of Ontario (FWIO) Executive Director.

The RVN Survey was developed through dialogue with over 140 rural participants in the seven RVN Public Forums

that happened across Ontario, from November 2011 to January 2012.

The survey is available online at www.ruralvoicesnetwork.ca.

Hard-copy surveys will be mailed through Women's Institute (WI) Branches. You can search for a local WI Branch near you at www.fwio.on.ca or those rural citizens that would prefer to receive a paper copy of the survey can call, or email the FWIO Pro-

vincial Office at 519-836-3078 or info@ruralvoicesnetwork.ca

The online survey will be available until March 16th, 2012, and all hard-copy surveys must be received at the FWIO Office no later than March 23, 2012 (7382 Wellington Road 30, RR 5, Guelph, ON N1H 6J2).

All participants have a chance to win prizes such as a Digital Camera, Kobo Readers, gift cards from Shopper's

Drug Mart and Tim Horton's ('no purchase necessary').

The RVN project report and recommendations that emerge from these activities will enhance the work of rural volunteer organizations, and represent the voices of rural citizens. The data collected from the Survey will be key influences in a research and civic engagement report of rural communities across Ontario. The final report will be released at the end of June
