WHAT CAN HIGH-SPEED INTERNET DO FOR YOU?

The Town of Halton Hills and Xplornet Communications Inc.

will be hosting information nights focused on the new **4G broadband internet** in the Halton Hills region. Small businesses in the Halton Hills region can now receive a minimum of **60 GB included** monthly bandwidth, across all business 4G Satellite packages.

The Town of Halton Hills and Xplornet Communications Inc. will be hosting a presentation on how high-speed internet can benefit your business. In addition, a senior representative from Xplornet will share the latest information on the successful launch, timing, capacity, and attractive internet pricing options for the residents and small business owners in Halton Hills. Complimentary refreshments will be served.

We look forward to seeing you there.
