

# Seniors look ahead to AGM

By FLORENCE RIEHL

Another full house for the St. Patrick's Day Luncheon on March 12. Seems like beef stew is popular.

You are reminded that some of the Active Living classes are coming to the end of this winter session. If you plan on taking a class for the spring you need to register now. Some classes get filled up quickly and some need more participants in order to continue. Now is the time to act.

This will be my last reminder of the Annual General Meeting (AGM) to be held on Thursday, March 29. The meeting begins at 1 p.m. A lunch of soup, sandwich and tea or coffee will be available for \$5 prior to the meeting.

According to our new Constitution proxy votes will be accepted from those members who will be unable to attend the meeting. You may get one from Reception, sign it, and give it to someone who is a member and will be attending to vote for you. An attending member may carry two proxies.

Something else that is new this year at the AGM is the election of the President by those members present. The person winning this vote will serve for a two-year term and may run again in two years. All together

someone may be elected to this position for six years and then is required to drop off for a year.

The AGM is your opportunity to bring forth questions, request clarification of points and put forth motions. Speak now or forever hold your peace.

Have you received your toggle and had your picture taken? You will need to have this done as soon as possible. By the end of March we will have in effect our new scan system for attendance at the Centre. Not to worry! It is easy and will help simplify many areas of accounting.

Still some tables left to rent for the Yard Sale on Saturday, May 26. Check in your *HillsView* for more information.

Time to mark your calendar for April—Easter Chocolate Sale, April 5, Pancake Breakfast, April 14, and Volunteer Appreciation Tea, April 17.

Keep active! Keep busy! Nothing to do? Let me know! I can change that in a hurry!
