**Laura Smith**

Sales Representative

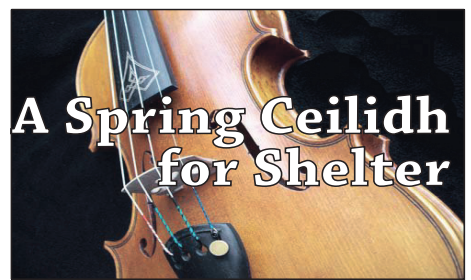

I am a high energy, committed and driven person. Just graduated with honors with a bachelor of commerce degree to aid in my marketing, negotiating and pricing strategy skills in the real estate industry. I also am a previous construction business owner. This gives me the ability to estimate construction costs and to help clients with finding competent and reliable contactors to renovate their homes in order to maximize value at a discounted price. I grew up in Brampton and have now lived in Georgetown for 2 years and am looking forward to working more with the Georgetown market.
