

YOU AND YOUR PET

Pet of the Month at the Upper Credit Humane Society Alfonso is a lively, loving boy

By **JUDITH-ANNE KOLU**
UCHS volunteer

Alfonso (Alf) is a male tricolour Beagle/Basset weighing in at 43 lbs. As a one-year-old Alfonso displays as an exceptionally happy little guy who is lots of fun, with the energy of the very young. Alf came to UCHS via another Shelter where he arrived as a stray. Alf is housebroken and is practising his doggie basics, which can be further refined by treat offerings!

Alf loves yard time playing and romping, which is the highlight of his day. Sadly his best buddy Steve the Shepherd has found a home but Alf is still waiting. A definite "MUST" for a new home is a secure fenced yard as Alfonso certainly is true to his breed, when his nose hits the ground, the chase is on and unsecured he could go missing before you could say "bone"!

Alf would make a grand family dog,

would be happy with children who would play with him and share his energy, or an adult family. Alf's temperament is friendly, joyous and loving.

Call the Shelter at 519-833-2287 or e-mail adoptions@uppercredit.com to meet this fun boy.

BTW: donations of large new or used towels would be appreciated.

NANCY

If you want personality in your cat, look no further than Nancy. She has more than looks to her credit, as lurking inside is Lara Croft, Tomb Raider! She loves to go racing up and down the halls searching for ancient artifacts, stalking villains from behind laundry baskets, and dive bombing them from counters. Nancy is a load of fun and also loves to cuddle. Nancy would thrive as an only cat given all your attention.

BINGA

Binga, arriving at the Shelter on January 28, 2010, has endured her long stay with fortitude. If you are looking for a feline companion who would suit most families look no further. She is astonishingly easygoing, loving and friendly to humans and other cats. The kittens of Adoption Room #2 have benefited from her gentle care and attention where she acts as House Mother; no one deserves a home more.

CAESAR

Caesar is very friendly with people though and gets along great with dogs! But he isn't fond of other cats and would prefer a home where he's a solo kitty. Caesar LOVES water! Not only does he use his paw to draw the water up to his mouth when drinking, it's like a magnet and Caesar will "dive" right in to an available laundry tub or receptacle. He is currently hanging out with visitors at our Thrift Store.

Affectionate Levi loves to cuddle

Levi is currently greeting customers at Ruffin's Pet Centre in Georgetown and is anxiously awaiting his new forever home. He is a 2-year-old white and black male domestic short hair cat who got his name because he looks like he is wearing pants. Levi was rescued from living on the streets and taken to Cats Anonymous. He is intensely affectionate and loves to be picked up and cuddled. He is great with dogs and LOVES children but not willing to share with other cats. Drop by and see for yourself how amazing he is. We know you will fall in LOVE.
