Baker, Mustangs edged in CIS final

A one-goal, two-assist effort by Georgetown's Kevin Baker in the final against the McGill Redmen wasn't enough for the Western Mustangs in their bid to win the

2012 Canadian men's university hockey championship this past weekend in Fredericton, N.B.

The fourth-seeded Mustangs, who upset the top-ranked and

host UNB Varsity Reds 3-2 in Saturday's semifinal, came up just a goal short in Sunday's championship, dropping a 4-3 OT decision to the second-ranked Redmen.

RAGBIR, Rhoda
March 17th, 2007

They say there is a reason,
They say that time will heal,
But neither time nor reason
Will change the way we feel.
For no one knows the heartache,
That lies behind our smiles,
No one knows how many times,
We have broken down and cried.
We want to tell you,
Something so there won't be any doubt,
You're so wonderful to think of,
But so hard to be without.

Love your family and friends

In memory of **Joe Kirley**
who passed away April 1st, 2011

Sadly missed along life's way,
Quietly remembered every day,
No longer in our life to share,
But in our hearts he's always there.

Always in our thoughts and prayers

*Love,
Michele, Hal, Kyle,
Kourtney, Jackie and Kent*

Originally from Toronto, Greg Mountain left behind city life for the satisfaction of farming in the country. In just over two seasons Greg is already co-managing the garden at **Whole Circle Farm**, where he and his colleagues provide for over 200 locals. He has been farming for three years, is taking part in the North American bio-dynamic apprenticeship and has taken part in two winter intensives on bio-dynamic farming. **Whole Circle** is an organic and bio-dynamic farm located 10 minutes from Acton. The farm is a diversified operation that includes vegetables, grains, dried beans, cows, chickens, pigs, bees and a maple bush. In addition to a summer and winter CSA we sell at the Georgetown Farmers' market.
