"Every Breath We Drew" - Looking for a change from the usual? Looking for meaningful moments? Interested in emerging forms of worship and creative expressions of faith? Worship installations are self-guided, interactive, creative and contemplative ways of engaging the biblical story. Similar to an art gallery, installations transform public space into a series of prayer stations and contemplative activities based around a scriptural theme. Participants go through at their own pace and engage as they are led. For some, the space and interactions prove very meaningful. Hopefully you can come and experience something new and creative.
