Kub Kar Rally

The banners were flying, the crowds were cheering and the cars were racing at Huttonville Public School on March 3 when Cubs from Georgetown, Brampton and Milton gathered for the annual Kub Kar Rally. More than 160 Cubs brought the cars they designed, built and decorated themselves to the school, where they competed to win prizes for speed, accuracy and creative design. With cars themes ranging from movies to cartoons to video games – even a carrot! – the competition for favourite design was pretty tough.
