Lions serve up food, cash for food bank

The Lions Club of Georgetown served more than 500 free breakfasts to local residents over two days last weekend.

The Lions event was in aid of the Georgetown Bread Basket food bank and residents were very generous by donating more than \$2,000 and just under 2,000 lbs of food. More than 36 volunteers served up the meal, fully funded by the Lions.

"The Lions club of Georgetown would like to thank the many generous people who came out and supported

our breakfast/food drive," said Lion organizer Jack Ruck. "This being our 3rd Breakfast/food drive we hope that this small gesture of appreciation says thank you.

"As a service club we are always looking at ways we can make our community a better place to live. Sometimes little things make a big difference. I truly enjoyed seeing the many families from our community, talking laughing, enjoying. I must say it's a great feeling when you belong to a club that wants to better the community they live in."
