

## \$15,000 for Vanessa

Event organizers Stacy Chaytor (left) and Erika Lefebvre (right) show how much they "heart" their cousin Vanessa McCracken at the Run for Vanessa, a fun 1K/5K run/walk in support of 16-year-old McCracken, who suffers from Lyme disease. An estimated 350 people participated in the fun 1K/5K run/walk, which raised money for the Georgetown District High School student's expensive treatments in the United States. Friends, family, neighbours, classmates, teachers and even complete strangers braved the unexpectedly chilly weather to participate in the run/walk, which raised more than \$15,000.
