Acton High School's senior girls volleyball team has had many reasons to smile lately. The girls won the Halton Secondary School Athletic Association and the Golden Horseshoe Athletic Association A/AA volleyball championship last month, which earned them a place in the Ontario Federation of School Athletic Association (OFSAA) volleyball championship in Toronto. **LEFT:** Chris and Nathalie Brooks from Brooks Heating and Air made a \$525 contribution to the Georgetown Hospital Foundation on behalf of their customers who took part in the business's winter furnace service campaign. Due to this success, Chris and Nathalie have decided to do another campaign for the air conditioning season: they will donate \$25 from every air conditioner service booked in the month of May. Call 905-877-3100 to book your appointment. On hand for the cheque presentation are (from left) Chris Brooks; Jackie Fox, the foundation's special events and annual giving coordinator; and Nathalie Brooks.
