BENNETT HEALTH CARE CENTRE
DIRECTOR of CARE
Organization Background: The Bennett Health Care Centre operates a 66 bed long term care centre and a senior's apartment building in scenic Georgetown, Ontario. Opened in 1999 this is a small but modern setting known for its love of residents and welcoming approach to families and friends. Its motto is "long term care that feels like home!" The home uses PointClickCare, Point of Care and eMAR systems through a state-of-the-art documentation system.

Position Summary: The Director of Care, reporting to the Administrator, supervises and directs all nursing staff in a unionized environment and the nursing and personal care provided by them in the long term care centre. The Director's primary function is the provision, coordination, implementation, and supervision of the entire spectrum of resident-focused care in order to ensure quality of life for all residents. This individual is a key member of the Management Team.

The Director of Care should demonstrate:

- an understanding of Best Practices as they apply to long term care
- an understanding of the Long Term Care Homes Act 2007 and other applicable legislation an understanding of Public Reporting through CIHI
- an understanding of continuous quality improvement practices including the Residents' First Initiative

Qualifications:

- Current CNO registration
- Five years experience as a registered nurse
- Three years supervisory experience in a geriatric, rehabilitation, or LTC facility, preferably in a unionized environment
- Strong computer skills
- Ability to develop and manage a budget
- Ability to analyse and resolve problems and to make decisions by engaging appropriate stakeholders
- Strong communication and team-building skills

Assets
Experience with PointClickCare systems; Clinical, Point of Care and Emars Post-graduate studies in geriatrics and/or nursing administration

Interested candidates should forward their covering letter and resume in confidence via email to:
