

Foot Care

At Young's we know how important foot care is. All too often, people forget about these parts of the body and realize their neglect only after they begin to experience pain and problems.

Our **KNOW RISK HEALTH SERVICES** department has Registered Nurses who provide advanced foot care in our pharmacy or in the comfort of your home.

Our Foot Care Services include

- Trimming-fungal nails
- Attention to calluses
- Corns
- Dry skin
- Circulation issues
