

Williams Mill artists open their studio doors for Spring Reveal

Artists of the Williams Mill Visual Arts Centre in Glen Williams will hold their Spring Reveal: Art Show & Sale and 18th Annual Spring Studio Open House this weekend, 12-4 p.m. (both days).

"This is the 18th Annual Spring Open House at the Williams Mill Visual Arts Centre and a long established spring-time tradition. Spring is a great opportunity to reveal some of the new work that artists have

been creating over the winter months, for an audience ready to come out and explore. Everything just seems a little brighter, and the show celebrates that spirit," says event chair watercolour painter Marlene Madole.

The public will be able to 'Meet the Artists' in their workspaces who will talk about works in progress.

This weekend event also coincides with the Opening Reception for Spring Reveal—the Artists of the Williams Mill Art Show & Sale in the Williams Mill Gallery. This exhibition started Wednesday and continues to May 21.

Organized by Madole and artistic couturière Sandra Krosse, this spring's gallery show features a selection of work from studio artists, working in a variety of media, including: Manny Martins (Marblue Photography); Sandra Krosse (artistic couturière); Christine Marie Ford (fibre art/jewelry); Naomi Assenheim (Opal Wing Creations Jewellery); watercolour painters: Marlene Madole, Harry Milanowski and Gord

Stuart; oil or acrylic painters: Tiziana Manierka, Christine Montague, Margaret Peter, Susan Wakefield and Lorne Winters; Sheri Tenaglia (mixed media); ceramic artists: Carolyn Filter, Carol-Ann Michaelson and Zsuzsa Monostory; sculpture artists: Gabrielle Fischer Horvath, Halton Wood Carvers, Mary Ellen Farrow, Sandra Hayworth and Michael Young; and glass artists: Bernhard Viehweber and Glen Williams Glass: Julia Hillyer, Andrew Kuntz, Tara Marsh, Carol Nesbitt, Andrea Ripley, Doug Scott and Jennifer Tarrant.

NOTICE OF PUBLIC INFORMATION CENTRE #2 Schedule "C" Municipal Class Environmental Assessment Bovaird Drive (R.R.#107) Improvements from Lake Louise Drive/Worthington Avenue to 1.45 Kilometres West of Heritage Road, City of Brampton

The Region of Peel's Long Range Transportation Plan and the Halton-Peel Boundary Study have identified the need for improvements to address planned growth on Bovaird Drive from Lake Louise Drive/Worthington Avenue to 1.45 kilometres west of Heritage Road (see map). The Region is undertaking a Schedule "C" Municipal Class Environmental Assessment (EA) study to determine a solution for the study area. The second Public Information Centre is scheduled as follows:

Date: Thursday, May 3, 2012
Time: 6 p.m. to 8 p.m.
Location: Peel Regional Police Association Building
10675 Mississauga Rd., Brampton

The Process

The aim of the Class EA process is to involve the public and agencies in creating the best solution for the study corridor. The project team, with public and agency input:

- defines the problem statement;
- develops and evaluates planning alternatives; and,
- determines a preferred solution.

Public Information Centre # 1

The first Public Information Centre (PIC) was held on May 18, 2010. Following PIC#1, staff reviewed input from the public and agencies and confirmed the preferred planning solution:

- widen Bovaird Drive with intersection improvements; and,
- provide for transit service facilities, a sidewalk and a multi-use trail.

Public Information Centre # 2

PIC#2 will present:

- the technical report findings and recommendations;
- a review of alternative design concepts; and,
- the recommended design concept.

PIC#2 is set up as a drop-in centre with information presented on boards. Staff will be available to answer your questions and take comments on the information.

Upon completion of the study, the Notice of Study Completion and an Environmental Study Report (ESR) that presents the study findings will be published. The results of the study will be available for review for 30 calendar days.

Comments

Your participation is important and your comments are valued. We will consider your comments as we finalize the recommended design. If you cannot attend the PIC, you can review the information boards on our website:

peelregion.ca/pw/roads/enviro-assess

We will take comments on the recommended design until **May 17, 2012**. You can contact either of the following team members if you wish to ask questions or provide comment.

Neal Smith, C.E.T
