

Norval pit-STOP holds lawn sale on Sunday

The second annual Norval pit-STOP Community Lawn Sale is Sunday, May 6, 9 a.m. to 3 p.m., at 10231 Old Pine Crest Rd.

Antiques, jewelry, collectibles, tools, furniture, books, electronics, sports gear and more will be available. Proceeds go to the Norval pit-STOP community organization, which represents local residents in Brampton and Halton Hills who are concerned about the proposed Norval shale quarry.

The proposed quarry is located within a small Greenbelt area, www.greenbelt.ca and close to the historic village of Norval. The

proposed quarry site includes cold water fish habitat, a wildlife movement corridor, and a Provincially significant wetland, says Norval pit-STOP.

Information on the proposed quarry can be found at <http://www.brampton.ca/en/Business/planning-development/projects-studies/Pages/Norval-Quarry-Re-Zoning.aspx>.

The group is seeking support and can be reached at P.O. Box 1, Norval ON, L0P-1K0, email info@pit-STOP.ca, website: www.pit-stop.ca

Notice Of Public Information Centre #1

Heritage Heights Transportation Master Plan

THE STUDY:

The City of Brampton is undertaking a Transportation Master Plan as a supporting study for the Heritage Heights Community (Secondary Plan Areas 52 and 53). This study will identify the transportation needs of the new community in the Secondary Plan areas in northwest Brampton and consider a wide range of options to satisfy future travel demand. Key objectives of the Transportation Master Plan include:

- identifying opportunities for a transportation corridor crossing of the Credit River valley, and refining the North-South Corridor Protection Area in northwest Brampton
- planning for road and transit projects as part of a preferred transportation network and strategy that are innovative, pedestrian/cycling-friendly, and transit-oriented to support the development of Heritage Heights and the Northwest Brampton area as a "complete community".

THE PROCESS:

The transportation study is being conducted as a Transportation Master Plan in accordance with Phases 1 and 2 of the Municipal Class Environmental Assessment process (2000, as amended 2011). The study will assess environmental, social, economic and technical criteria and will address the interests of area residents, stakeholders and local businesses in selecting the preferred solution.

PUBLIC CONSULTATION:

The first of three Public Information Centres (PIC) will be held:

Date: Monday May 14, 2012

Time: 4:00 PM to 8:00 PM

Location: Peel Regional Police Association, 10675 Mississauga Road Brampton, Ontario

The Public Information Centres will be set up as drop-in centres with information on display panels. The project team will be available to answer questions.

COMMENTS INVITED:

Your involvement is important!

The City of Brampton appreciates your input and ideas. Please take a moment to get involved. We encourage you to submit your comments, issues and additional information to either of the listed project team members below.

In Celebration of Children's Mental Health Week

"From the Family Perspective"

TUESDAY, MAY 8, 2012 ~ 7:00PM

Taking a frank look at the impact of mental health issues on families; a mother's journey.

Speaker: Sarah Cannon

Executive Director of Parents for Children's Mental Health

From the Family Perspective takes a frank look at the journey of mental illness from a family's perspective; from identification, to diagnosis, to intervention and all the steps in between. Sarah discusses the impact of the unique struggles of raising a child or youth with mental illness, and will openly share how her child's struggle with depression has shaped and impacted her family.

Through sharing her story and an openness and willingness to discuss what often times is kept "hidden in the shadows", Sarah will bring an awareness, an increased capacity of understanding and insight into what families need.

Many are surprised at how the simplest things can make the largest differences.

All Welcome • Snacks & Refreshments • Doors Open at 6:30pm
