**CVC and CH to host joint gala**

The Conservation Halton Foundation (CHF) and the Credit Valley Conservation Foundation (CVCF) are hosting their 7th Annual Conservation Gala Dinner and Auction on Wednesday, May 9.

The gala will raise funds for local environmental initiatives and takes place at Rattlesnake Point Golf and Country Club at 5407 Regional Road 25 in Milton.

Proceeds from the 2012 Conservation Gala will support Credit Valley Conservation's Conservation Youth Corps (CYC) program that allows high school students to help the environment by planting

trees, constructing habitat and maintaining trails and Conservation Halton's Mountsberg Raptor Centre that provides care and shelter for 30 native hawks, owls and eagles.

Last year the gala raised more than \$105,000 toward valuable conservation projects and initiatives of both organizations. In just six years the local community has helped raise more than \$600,000 in support of the two Foundations' work to protect and enhance the natural environment for present and future generations.

"We are appreciative of the people in our communities who generously support

the Conservation Gala, which helps fund so many environmental projects, and creates awareness of the need to support such initiatives," said Lisa Penny, CHF Chair.

Tickets for the Gala are \$125 each, with tables of 10 for \$1,200. A partial tax receipt is provided. Tickets are available by contacting:
