

Compost Give Away

Monday, May 7 to Saturday, May 12
8 a.m. to 4:30 p.m.

Halton Waste Management Site
5400 Regional Road 25, Milton

Thanks to the participation of Halton residents, approximately 30,500 tonnes of yard waste was composted last year and turned into rich, garden-friendly compost.

Halton residents are invited to come to the Compost Give Away and pick up some of this compost as a "thank you" for diverting this usable material away from the landfill, thereby extending its life!

All Halton households are welcome to collect a maximum of seven bags (or equivalent) of compost. Please bring your own containers (garbage bags, yard waste bags, reusable containers, trailer, etc.) and shovel. Residents are responsible for shoveling and bagging their own compost.

Non-perishable food items or cash donations will be gratefully accepted on behalf of Halton area Food Banks. Your donations make a difference!

Helpful Hint: When applying compost to your gardens, ensure you blend it with topsoil or another gardening fill. Recommended application for best growing results is a 60/40 split (60 per cent topsoil and 40 per cent compost).

Spring cleaning? We can help!

Bring your old batteries, paint, compact fluorescent light bulbs, pesticides and cleaners to the Household Hazardous Waste Depot at the Halton Waste Management Site. Maximum 20 litres per visit. No commercial loads accepted. For a list of acceptable materials and helpful hints, visit www.halton.ca/waste.

Stay Connected! Follow us on Twitter @HaltonRecycles and read our blog at www.haltonrecycles.ca. We're sharing great information about Halton's waste diversion programs like Special Waste Drop-off Days and other waste management events—we'd love to hear from you!

Please let us know as soon as possible if you will have an accessibility or accommodation need at a Halton Region hosted event or meeting.
