

Thank you computer club

Moe and Nadine

The computer club (Halton Hills PC Users Group) was asked if we could do the data entry for the Classics Against Cancer car show at the beginning of year 5. The person who had been doing it moved to the US. This was also the year that Ken Langdon took over from Neil Young. I wrote the software that is still used today and the computer club has been involved each year since then.

Just before the show in Year 6 Ken had to attend a court case and asked

me to take over as Chairman of the show. I stepped down as Chairman about six years ago but still continued with the computer work.

During my time as Chairman we went from a net income per year of \$15000 to \$34000 in 2004.

We have decided that the 25th anniversary will be the last year that the computer club will be involved. It has been a good run!

- Moe Lamothe
