

Police blotter: Teen assaulted

Halton Police are investigating an assault against an 18-year-old Georgetown male at a party at a Tenth Line home Saturday night.

The youth reported to police Sunday that he had been punched in the face three times and pushed through a window by an unknown male. He was treated and released at Georgetown Hospital.

At press time police did not have a description of the suspect. Police ask witnesses to call 905-878-5511 ext. 2410.

The passenger side window and mirror were smashed in a Saturn parked at a Pennington Cr. home early Friday morning. Damage is \$500. Nothing was taken from the car.

Police are investigating an attempted break and enter into a Beverly Lane Georgetown home sometime between Wednesday and Saturday. Pry marks were found near the window at the rear of the home.

M&M event was
mmmmm...good

Six-year-old Daniella Torrelli and eight-year-old brother Antonio enjoy the food at the recent annual M&M Meat Shops charity barbecue for the Crohn's Colitis Foundation of Canada at the Georgetown M&M shop. Staff and thousands of volunteers, at 450 M&M Meat Shops locations across Canada joined together to raise \$1.546 million for the Foundation.

Town ends deal with Bennett Pl. residents

By CYNTHIA GAMBLE
Staff Writer

Town council has approved a staff recommendation to cease a road agreement with residents of Bennett Place.

The decision will be ratified at the June 11 council meeting.

The residents will be advised the Town will terminate the road maintenance services on the private road in Glen

Williams, effective June 30, 2012.

The Town required all nine property owners to enter an agreement by April 5, but only eight of the nine responded.

The agreement would have required the residents to pay for maintenance service provided by the Town, with the charge for the owner's portion of the annual cost, plus any additional services requested, registered on the property

title. The agreement would have been included in any future sale of the property.

The Town also required indemnity from each owner respecting any liability that may arise during the agreement.

The residents had been given additional time to find a solution, but failed.

Staff will invoice the residents for 2012 services to date.

NOTICE OF STATUTORY PUBLIC MEETING

TOWN INITIATED OFFICIAL PLAN AND ZONING BY-LAW AMENDMENTS PERTAINING TO AUTOMOTIVE COMMERCIAL USES IN GEORGETOWN

DATE: June 25, 2012

TIME: 7:00 P.M.

LOCATION: Council Chambers
Civic Centre
1 Halton Hills Dr.
Halton Hills

Town of Halton Hills Council will hold a statutory public meeting to discuss draft Official Plan and Zoning By-law Amendments pertaining to automotive commercial uses in Georgetown.

The draft Official Plan Amendment would:

- Add automotive commercial uses as a permitted use in the Georgetown Community Node - Secondary Commercial Sub-Area designation.
- Re-designate the property at 29 Todd Road from General Employment Area to Secondary Commercial Sub-Area to permit the expansion of an existing auto dealership onto an adjacent property.

In addition to the main objectives summarized above, this Amendment also proposes to include policies that enable Council to waive the requirements for a Comprehensive Development Plan in the Georgetown Community Node - Secondary Commercial Sub-Area and Mixed Use Sub-Area.

Waiving this requirement would be subject to a number of criteria, some of which include demonstrating that the development will contribute to the vibrancy of the area, and amongst other matters can be easily integrated with other uses.

The subject lands are shown on the Key Map.

The Zoning By-law Amendment proposes appropriate revisions to the Comprehensive Zoning By-law to effectively implement the amendments to the Official Plan.

Following the statutory public meeting, Town staff will prepare a report to Council which will respond to oral and written comments received, and provide a final recommendation on passage of the Official Plan and Zoning By-law Amendments.

Key Map: Location of Subject Lands

Copies of the staff reports and the draft Amendments are available for public review and comment in the Town of Halton Hills Planning, Development and Sustainability Department or on the Town's website at <http://www.haltonhills.ca/autoretail>. For further information on this project, please visit the Planning, Development and Sustainability Department, at the address below or contact:

Tara Buonpensiero, MCIP RPP

Steve Burke, MCIP RPP
Manager of Planning Policy
905-873-2601 ext. 2254
stevebu@haltonhills.ca

Please provide all comments by June 29, 2012.

PLEASE NOTE

Notice of the statutory public meeting has been provided pursuant to the provisions of the Planning Act, R.S.O., 1990.

If a person or public body does not make oral submissions at the statutory public meeting or make written submissions to the Town of Halton Hills before the Zoning By-law Amendment is adopted:

- The person or public body is not entitled to appeal the decision of the Town of Halton Hills Council to the Ontario Municipal Board; and
- The person or public body may not be added as a party to the hearing of an appeal before the Ontario Municipal Board unless, in the opinion of the Board, there are reasonable grounds to add the person or public body as a party.

If you wish to be notified of the adoption of the Official Plan and Zoning By-law Amendments, you must make a written request to the Town of Halton Hills, Planning Development and Sustainability Department, 1 Halton Hills Drive, Ontario, L7G 5G2.

SMILE ADVICE

There is just something about a smile. You see someone with a big goofy smile or even the faintest hint of a grin, on his or her face and you can't help but smile back; a smile is something you always want to return to sender. It doesn't matter who's smiling, either it is your best friend, your spouse, a baby, a dog, the supermarket cashier or a movie star. A smile is infectious in the nicest way!

Best of all, a smile is 100 percent natural. Babies smile almost from birth. Infants (even some as young as two days old) tend to smile at faces. By the time they are one year old, babies are able to recognize the

important people in their lives, and many have a special smile for these individuals. And smiling is not necessarily something we learn by imitation. According to Frank McAndrews, psychology professor at Knox College in Galesburg, Illinois, babies who can't see, smile, just like everyone else. It seems our faces were made to smile!

So next time you see someone without a smile, give them one of yours, because no one needs a smile more, than he has none to give.

Creating confident smiles since 1982.

... Lend Me Your Ears

You have probably heard that legislation has been passed that targets drivers using cell phones while operating a motor vehicle. We all know that distractions are a dangerous combination and common part of driving on today's congested roadways. Any way to lessen the number of distractions faced daily would greatly help one to focus on the task at hand, and get on with their day. At the Georgetown Hearing Clinic, we do not condone the use of cell phones while driving, but when absolutely necessary, a hands free device, such as a speaker phone, line Onstar™ or a bluetooth connected earpiece can be very useful and help reduce distraction - not to mention allow the driver the use of both hands.

At The Georgetown Hearing Clinic, we provide a wide variety of custom fit and non custom fit bluetooth hands free devices.

We care about your hearing!
