## Keep it cool with North Halton Energy Solutions

With the first day of summer coming up this week, technicians from North Halton Energy Solutions were busy installing a Trane heat pump at a local residence. For climates with moderate heating and cooling needs, heat pumps offer an energy-efficient alternative to furnaces and air conditioners. From left, are Jim Presant, Ben Gaston and Jason Murkin. North Halton Energy has all your cooling solutions and are located at 38 Stewarttown Road in Georgetown. Phone 905-877-3954. The store hours are Monday to Friday from 10 a.m. to 6 p.m. and Saturdays from 10 a.m. to 2 p.m.
