### COMING SOON

By now you have likely seen our For Sale Signs displaying a "Coming Soon" rider. Often Sellers need time to complete renovations and prepare their house for sale but want to let the public know their home is coming to the Market. These properties are listed, and we can provide you with prices and details plus answer any questions you may have, however we cannot show the home to you until the date the Seller has given us (usually within 10 days of putting up our sign). We co-operate with all Agents and Brokerages and will provide the same information to them on request. For more information about Johnson Associates go to:

### GTA-WEST CORRIDOR TRANSPORTATION IMPACT

The ability to move about within our community (commute to employment, access airports & trains), and the flow of people and goods through or by our Town effects the value of property.

On Tuesday, June 12, 2012 The Ontario Ministry of Transportation (MTO) presented the Stage 1 Environmental Assessment proposing expansion of the 401 Transportation Corridor to 12 & 14 lanes through Halton Hills and Milton. This important study and its recommendations will shape the transportation dynamics of our community through the year 2031 and beyond.
