Take notice that on Monday June 25, 2012, the Council of the Town of Halton Hills will hold a public meeting pursuant to The Development Charges Act, 1997, regarding proposed development charge rates and policies that will be applied throughout the Town. It is proposed that enactment of a development charges by-law by Council would occur on Monday, July 9, 2012.

Council is required under The Development Charges Act, 1997, to hold at least one public meeting to allow the public the opportunity to review and provide comments on the 2012 Development Charges Study, related staff reports and the proposed development charges by-law.

All interested parties are invited to attend the public meeting:

**Date:** Monday June 25, 2012  
**Time:** 6:45 PM  
**Location:** Council Chambers, Halton Hills Civic Centre, 1 Halton Hills Drive, Halton Hills, ON

Written comments received and submissions made at the public meeting will be considered by Council prior to the enactment of a new development charges by-law.

Copies of the 2012 Development Charges Background Study and the proposed development charges by-law **AS AMENDED on June 8, 2012** are available through the Town's Corporate Services Department and on the Town's website [www.haltonhills.ca](http://www.haltonhills.ca).

**Drinking and Driving Can Distort Life.**

**Drink and drive, and your life may never be the same again. You not only risk your life when you drink and drive, you also risk losing your license, incurring expensive fines, doing time in jail or even causing injury or death to an innocent bystander. With all these consequences facing you, driving under the influence is the worst decision you can make. Don't take chances with drinking and driving; there's always a better alternative.**
