Perfect Peter needs a home

Peter is a young, handsome feline sporting very unique markings freshly painted in lots of white with strategically marked grey toned etchings.

Peter came to Upper Credit Humane Society (UCHS) from a local vet clinic after being surrendered as one of a "Baker's Dozen". His brother Porter is also in residence at the Shelter, and is Peter's best friend.

At a year old approximately, Peter presents as VERY cuddly and thrives on affection and is great with the other cats. We feel that a gentle dog that is not too energetic and noisy would be tolerated well.

Peter is still shy with new people and would be cautious in his new home at first. The family would have to be patient as he got used to his surroundings. If the family felt they would like both the brothers settling in might be easier, but they do not have to be ad-

opted together.

The rewards of getting to know Peter will be many. Once he is settled in you would find that he is playful but doesn't "get into things"; loves cuddles but isn't demanding; very quiet, barely "meows" at all. Peter is a gourmet, loves his food and has gained more weight than his brother.

Charming quiet Peter would love to take a call from you and for you to drop into the Shelter to meet him. Just call 519-833-2287 or email adoptions@uppercredit.com to arrange an introduction.

Beau knows he will be perfect in a family

Beau is a beautiful boy who grabs your heart the moment you meet him. A Beagle/Hound cross, 18 months weighing in at 31 lbs., Beau is clothed in a handsome coat, reddish brown accented in white, which makes for a very clean streamlined appearance and he is just the right size for most families.

Beau is a great all round canine: housebroken, good with children, other dogs, has his basic commands, MEDIUM energy; great to walk. The accolades do not stop there Beau is a very loving boy who bonds quickly to people, a great family dog who would enjoy and flourish with another dog companion or a friendly cat who would help him settle into the family routine and would definitely help to build his youthful confidence.

It is imperative that Beau has a fenced yard, his hunting dog origins mean that if he "scents" and can follow the trail into the vast blue yonder

you will have lost your dog! Beau will need a family who has a member at home ALL the time as he does show signs of separation anxiety if he finds himself alone for long periods of time.

If you are interested in learning more about Beau whose pluses far outweigh the minuses, please call the Shelter at 519-833-2287 or e-mail: adoptions@uppercredit.com to drop by and make his acquaintance; you'll be charmed.
