

Caddies coming

The all-new 2013 Cadillac XTS luxury sedan, the most technologically advanced Cadillac is now shipping to Canadian and U.S. Cadillac dealerships from Oshawa.

XTS is the only luxury sedan with standard Magnetic Ride Control—the world's-fastest reacting suspension—while the advanced all-wheel-drive system uses Haldex technology with an electronic limited-slip differential to transfer power front-to-back, and side-to-side, along the rear axle. The 2013 Cadillac XTS luxury sedan has a starting price in Canada of \$48,995 plus \$1,595 destination.

Toyota cooks up winning deal for new car buyers

Georgetown Toyota recently held a draw for a \$1,000 Broil King Natural Gas barbecue and the winners were Ian and Jean Gosling, who have been buying cars at the local dealership for more than 16 years. Presenting the Goslings with their prize is Christian Febel (left) of Georgetown Toyota. Everyone who purchased a new vehicle had their name entered in the draw during Toyota's largest sale of the year. Georgetown Toyota added the barbecue to give away in addition to the Red Tag Days promotion which ran from March to May. Staff at Georgetown Toyota delivered the barbecue to the Goslings' home fully assembled.
