HALTON HILLS SENIORS RECREATION CENTRES

ACTON

The Birthday tea was well attended in spite of the rainy weather.

Eighteen members and their guests enjoyed cake and ice cream while socializing with fellow members. Seven members were celebrating having reached, and passed their 80th birthdays.

The next social dinner

will be on Thursday, February 16 with a Mardi Gras theme. On the menu is ham and chicken Jambalaya served over rice. Tickets are available at the front desk. That will be a busy day for some of our members. They plan on going to Medieval Times in Toronto to enjoy lunch and the show, and

then return to Acton in time to change and attend the Mardi Gras celebration. I am sure all the people that have been joining Pauline on a Thursday afternoon for her line dancing classes can't wait to try out the dances they have learned.

The trip to Georgian Downs on Monday, January 16 was enjoyed by everyone. I hear some even brought home a little extra cash. The 50/50 draw on the bus was won by Russell Kowalchuk, and in the luck seats were Elsie Ashworth, Connie Fix, and Shirley Loucks.

The latest copies of Hillsview should be at the front desk shortly. Please pick yours up, as they list all the interesting and important things that are happening at the Centre over the next three months.

There will be a very important meeting on Tuesday, February 21 at 1 p.m., to discuss changes to our constitution. Copies of the constitution are included in the newsletter. Please come prepared to vote on the constitution.

This is a long way off, but at this time of year we like to remember spring

is just around the corner. On Tuesday April 3 the travel group is planning a trip to Sandy Flat Sugar Bush. You will head out towards Cobourg and enjoy a lovely cup of coffee on arrival, followed by a guided tour through the sugar bush and facility. What visit to a sugar bush would be complete without pancakes, sausages, beans and biscuits accompanied by of course fresh maple syrup? You will be entertained while you eat by George who plays a mean fiddle, his wife Alice plays the upright

base and her sister plays the piano.

Bring some extra cash as you will have the chance to shop on the way home at a chocolate factory, cheese and butter co op and an old time bakery that uses a small wood fired oven to bake their high quality goods. Check with the travel desk for more information.

The 50/50 was not won this week, so next Friday the prize money should be around \$150. If you have not paid your membership for 2012, your name has been removed from the drum.
