

BIRTHS

Muggs and Michelle Johnstone are proud to announce the arrival of their daughter Faith Ann Marie, born December 25, 2011 at 6:38pm. Weighing in at 6lbs 4oz. Proud grandparents are Shirley Corkum and Jody Sheppard of Acton and Michelle and Ronald Johnstone of Rockwood. Also welcomed by many Aunts and Uncles and cousins.

IN MEMORIAM

In memory of May Laing, much loved mother, grandmother & great grandmother who left us February 1, 2009.

*As time goes on without you,
And the days turn into years,
They hold a million memories,
And a thousand silent tears.
To us you were so special,
What more is there to say.*

*Except we wish with all our hearts
That you were here today.*

Forever in our hearts
Bill & Carol, Rene & Paul, Don & Shirley & Families

In loving memory of Clifford Wedge who passed away February 01, 2004. Beloved husband, father, grandfather, son & brother.

*Those we love we never lose for
always they will be loved and
remembered in our memory.*

Your Family

In memory of Dorothy Irene Jordan February 03, 2003; Earl Stuart Jordan January 15, 1992.

*These dates we do remember
A loving thought we give
To ones no longer with us
But in our hearts still live.*

John, Ken & Julie, Pat & Al, Carol, Marie & Keith
Tosha & Bill Aitkins,
Tina, Raymond (Peterson)
Michelle, Bradley Jordan
David, Ritchie Jordan

In memory of Marie Hargrave February 01, 1992.

*You always had a smile to share
Time to give and time to care
A loving nature, kind and true
Is the way we'll remember you
Thinking of you today as we have
Many times throughout the years.*

Miss you Mom
Pete, Lise, Nicole & Tara

DEATHS

Wilson, Margaret

Margaret "Marg", Gertrude Violet Wilson (nee Shultis) of Rockwood, ON passed away on Wednesday January 18th at 80 years of age at St. Joseph's Health Centre in Guelph. Marg is survived by her loving husband Norm, son Brad (Jennifer) and daughter Janice Scheffer as well as granddaughter's Stacy (Rod), Lori and Jeri and great grandchildren Kayla and Anddyn. Marg will be warmly remembered by her sister-in-law Reba Shultis who has been a lifelong devoted friend as well as a cherished family member. Marg was predeceased by her brothers Chuck and Harvey Shultis and her sister Evelyn Louttet. We would like to thank the staff at Stone Lodge and St. Joseph's LTC in Guelph who were instrumental in providing the additional gentle and thoughtful care that was required by Marg in the final chapter of her life. Cremation has taken place. There will be a memorial service on Friday, February 03, 2012 at 1:00 p.m. at Blue Springs Funeral Home, 12 Church Street, Acton, ON. As an expression of sympathy, donations may be made to the Alzheimer Society. When we think of Marg, words that come to mind are loyal, constant, dedicated, reliable and steadfast. Marg loved children, animals, music, cards and garage sales. Marg was especially fond of deer and chipmunks. Rest in eternal peace Marg. We love you and you are already missed so very, very much.

HALTON HILLS HYDRO INC.
requires an
APPRENTICE METER TECHNICIAN

Halton Hills Hydro is a community focused electricity distribution utility servicing the Town of Halton Hills. We have a new position, Apprentice Meter Technician, in our Metering Department. Interested candidates may apply, in confidence, to express their interest in the position, outlining their education, experience and related qualifications. The successful candidate will have the following qualifications:

- A graduate of a Community College program in electrical technology (Power or Control) leading to registration as a certified engineering technologist or technician; field experience with electrical background up to 750V;
- Demonstrated commitment to safety in the workplace;
- Demonstrated mechanical aptitude, analytical and trouble shooting skills;
- Customer service oriented with strong interpersonal skills;
- Concise written and verbal communication skills;
- Valid Class G Ontario Driver's License;
- Proven ability to work effectively and safely in a team environment;
- Ability to perform essential duties of the position including the physical demands required which could be lifting in excess of 50 lbs., working in extreme weather conditions and working in an aerial device;
- Proficient in the use of a computer and related software applications, (ie) Microsoft Word, Excel
- Demonstrated company values, in particular, respect in the workplace.

This is a union position (40 hours per week) and compensation will be negotiated in accordance with the current Collective Agreement.

The successful applicant will start an apprenticeship program, and will be required to attend the MEARIE Meter Technician Training program as scheduled by Halton Hills Hydro. Entrance into Meter Technician Level 1 training requires the successful completion of the Theory Qualifying Test. Continuation in the Apprenticeship with Halton Hills Hydro will require successful completion of all levels of the apprenticeship training program.

Duties of the apprentice meter technician will include maintaining the infrastructure, (electronic interval meters, related communications equipment and network management systems), as well as the following:

- Installation and maintenance of single phase and polyphase meters and metering systems;
- Programming of electronic meters and testing of meters to ensure their accuracy;
- Setup and support of interval data collection systems (currently MV90);
- Maintenance, installation, operation and troubleshooting of Metering Systems; and
- Other duties as required.

Please forward your detailed resume, in confidence, by Friday February 10th, 2012 to:

hr@haltonhillshydro.com

We thank all applicants for their interest however only those selected for an interview will be contacted.
