A Gallery of work by a local
Halton Hills photographer

Shannon Crowe

I've lived in Acton my whole life and I'm currently a Grade 10 student at Acton High School.

I've always enjoyed taking photos but have become more passionate with photography for the past three years.

I enjoy capturing anything that catches my eye in nature and I like to show different perspectives on everyday surroundings that aren't normally seen.

I always have my camera handy when I go hiking or just outside in general so I won't miss a opportunity for a great picture.

I've also enrolled in photography in my Grade 11 year in the Specialist High Major program.
