The provincially-funded **Summer Company** program provides hands-on business training and mentoring - together with awards of up to \$3,000 - to help enterprising students between the ages of 15-29 start and run their own summer business. Halton Region Small Business Centre co-ordinates the program locally, and delivers it with the help of volunteer business advisors from the community.

Congratulations to the following entrepreneurial students who have successfully started their own summer businesses. Contact the Small Business Centre for more information on these enterprising students. Follow Halton's Summer Company Facebook page for information, updates, links, photos and more!

Miller's Maintenance gives a personal and neighbourly touch to your yard. They provide quick, efficient and friendly service at competitive prices to clients in the Aldershot area.

Surf Sandford Apparel embodies the east coast lifestyle. Nautical and ocean inspired designed are hand silk screened on quality apparel that only gets better with age. Want to have your own design printed for a charity group, organization or sports team? They can do that too.

RealCurb Paint is determined to bring ease of mind to their customers and a needed aesthetic to their houses. By painting people's house numbers on their curb, they bring convenience to homeowner's lives by helping emergency services, friends, family and even the pizza delivery person reach their home exactly when expected.

Hometown Painting is a painting company specializing in exterior painting and staining for both residences and commercial contracts. They offer neat, detailed, quality work for a competitive price and flexible hours, making your painting experience worry and stress free.

Flyer Hustle offers advertisers a door-to-door distribution service of their flyers, brochures, coupons and other unaddressed ad mail to residential areas all over the western GTA. By positioning themselves as a more cost-effective alternative and reliable service, they are able to offer clients great value for their advertising dollar.

MADRAD is a textile company based out of Oakville. They focus on design and manufacturing of natural textiles such as bags and accessories. Each product is made by hand in small production runs, paying close attention to quality and detail. All of their bags are made of heavy cotton, complemented by natural plant dyes to achieve rich one-off colours.

Little Fins is a swim school that offers individual and small class lessons for beginner to intermediate swimmers in your own background pool in North Oakville. Your child will learn to swim in a calm, attentive atmosphere and will receive personal attention and support while gaining confidence, and learning through play.

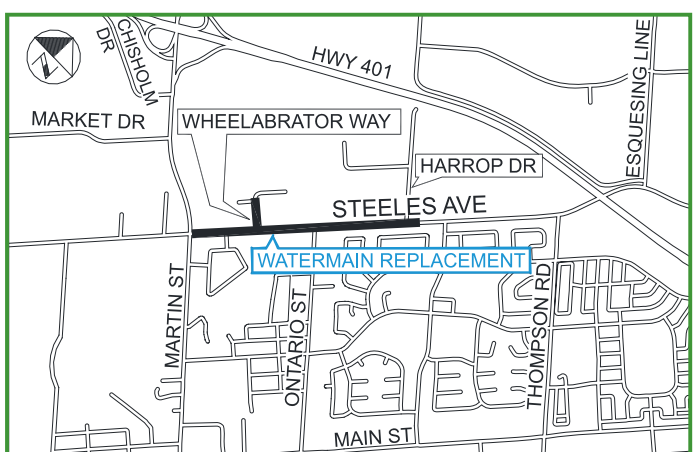

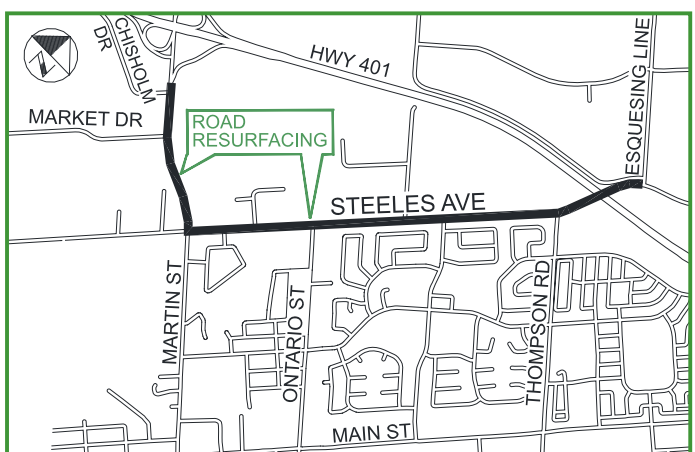

K.C. Designs is a graphic design company specializing in book covers for authors and publishers, both independent and established. They offer friendly consulting, quick service, and competitive rates. All designs and covers are 100% custom designed and made with your ideas in mind. Other graphic design services, such as posters and Facebook Timeline banners are also available.

2012 Rain Barrel Sales a Success

This spring, Halton Region once again hosted four rain barrel truckload sales to promote wise outdoor water use. Diverting water from a downspout into a rain barrel lets you capture rain water and store it for future use to water gardens and container plants. Halton residents purchased nearly 3,200 rain barrels through this year's truckload sales. More than 16,500 rain barrels have been purchased since the program began in 2009 which has the potential to save 3.3 million litres each time all 16,500 rain barrels are used. Way to go Halton residents! Together we're making a difference. For more information dial 311 or visit www.halton.ca/waterconservation.
