Grabbing the gold

Chief Librarian Jane Diamanti and Mayor Rick Bonnette presents the official LEED Gold plaque to Geoff Cannon, Deputy Director of the Halton Hills Public Library and Project Lead of the Acton (Library) Branch Building Project. The new branch on River St. is a gold-certified LEED (Leadership in Energy and Environmental Design) facility. It was assessed in six categories: sustainable sites, energy and atmosphere, indoor air quality, water efficiency, materials and resources and innovation and design. When the project first began two years ago, Town council and the library board had been aiming for at least a silver certification.
