Kids make dreams come true

A bottle drive by two Georgetown girls who met while going through cancer treatment raised \$2,355 for Children's Wish Foundation recently. Maya da Silva and Stephanie Leighton, who are now both doing well, organized the drive to give back to Children's Wish Foundation after each had wishes granted. The girls recently went to the Foundation in Ajax to present the cheque. From left are Maya, Shannon Leighton (Stephanie's sister, who helped with the drive) and Stephanie.
