What is Bicycles for Humanity?

Bicycles for Humanity empowers disadvantaged community in Africa with their own sustainable transportation.

We send gently used bikes to help improve access to healthcare, education, food, water and employment. Bicycles are collected, shipped to Africa, and distributed to established Bicycle Empowerment Centres (BECs).

Bicycles for Humanity is entirely volunteer-run ~ 100% of donations go toward transportation and in-country project implementation costs of Bicycle Empowerment Centres (BECs).
