Dozens of local tennis fans joined town councillors and members of the Halton Hills Tennis Club on July 21 to celebrate the grand opening of new Gellert Park Tennis Courts. After brief speeches and the official ribbon-cutting, the public was invited to pick up a racket and take part in fun tennis activities on the park's six courts, check out a demonstration by a couple of the club's young players, win fabulous door prizes, and cool down with refreshing drinks and snacks.
