Think affordable.

More affordable than ever.

When the first Volkswagen arrived in Canada way back in 1952 people asked questions they wouldn't have asked of any other car manufacturer. Things like "Why is it smiling?" and "Where's the engine?". Their next question would usually be "How much?". "\$1,595" was the answer

back then, if you're wondering. Well, sixty years and more than 21 million Beetles later, we're marking the occasion with a special finance offer that makes our most popular models more affordable than ever before. Yes, ever. The best-selling 2012 Jetta starts from only \$17,627* and

the award-winning 2012 Passat from only \$25,827*. People don't usually ask where the engine is anymore, but once they've driven a Volkswagen for the first time they are still surprised by how affordable it is.
