

500 cyclists to take part

Annual MS Bike Tour to leave Acton Saturday

Approximately 500 cyclists are expected to accept the challenge to ride from Acton to the University of Waterloo and back this weekend for the 2012 Multiple Sclerosis Bike Tour.

Billed as North America's largest cycling series, the MS Bike Tour departs Acton's Prospect Park at 8 a.m. Saturday and covers about 150 km through Rockwood, Guelph and Rosemount before participants stay

overnight at the university.

The ride continues back to Acton Sunday morning and is slated to finish between noon and 2 p.m. at Prospect Park.

Riders have been collecting pledges and the nationwide campaign will raise an estimated \$3 million to fund crucial services for people living with MS, as well as research into the cause, treatment and cure of the unpredictable disease.

Repairs to SportsPlex roof will cost Town \$310,000

The Town will spend close to \$310,000 to repair the Mold-Masters SportsPlex roof.

At a special council meeting last Wednesday, council approved the tendering of the project to the lowest bidder— Top-Line Roofing and Sheet Metal Ltd. of Mississauga.

The roof repairs, including re-

placement of the roof deck, are for the existing building, not the expansion portion.

Top-Line bid \$309,055 (including HST). The highest bid was more than half a million dollars.

The Town also spent another \$15,000 to prepare a scope of work for the tender.
