My thoughts are with you every day  
Since that fateful day you passed away  
I don't know what GOD had in mind to do  
HE took you home to be with HIM  
And left me here so sad and grim  
My world is not the same here without you  
You were my life, my wish come true  
For those few years I had with you  
But my memories of you will never wane  
I'll miss you till my dying day  
This love will never go away  
At the pearly gates someday we'll meet again

*Always loved and sadly missed by,  
husband Robert*
