

## Into the wild blue yonder

Freelance photographer and Georgetown resident Jon Borgstrom recently spent his lunch hour with a great blue heron that also decided the pond at the Dominion Gardens Park was the perfect place to while away his lunch break. The great blue heron is found throughout most of North America in a range of habitats, in fresh and saltwater marshes, swamps, flooded meadows, lake edges, or shorelines but always close to bodies of water, usually nesting in trees or bushes.

## Georgetown man facing drug charges

A Georgetown man is facing drug charges after Halton Police stopped a vehicle on Mountainview Rd. south of Delrex Blvd. about 2:30 p.m. Tuesday (August 14).

Officers searched the vehicle and found several bags of marijuana valued at about \$640 in total and approxi-

mately \$240 worth of Psilocybin.

Charged with two counts of possession for the purpose of trafficking is Robert Bingham, 47, of Georgetown.
