

'Access Halton' today

Halton Region offers a wide-range of programs and services that benefit you and your family every day, many of which you may not even be aware— programs like providing clean and safe drinking water, emergency medical services, waste management, public health, social assistance, child care and so much more.

Gary Carr

We recognize that it can be overwhelming to figure out all that we do, so that's why we've made it easy to "Access Halton," with two easy ways for our residents to connect with us. Simply dial 311 from within Halton or visit www.halton.ca: your best local resources right at your fingertips.

At 311, residents get a live answer every time from a knowledgeable customer service agent who will make sure you get the information that you need. At www.halton.ca, you can get the latest beach water testing results, figure out your waste collection schedule, watch live web-stream videos of Council or committee meetings, visit our social media centre, and so much more.

- Halton Region has five departments covering:
- Planning— economic development, growth planning, agriculture
 - Corporate services— budgets, financial planning, emergency preparedness
 - Public works— roads, waste management, water, construction
 - Public health— health protection services, chronic disease prevention, oral health, family health, pregnancy/parenting
 - Social and community services— housing, social assistance, children with special needs

Staff from all of our departments are committed to offering the highest quality programs and services that continue to make Halton such a great place to live, work, raise a family and retire.

So, I hope you'll "Access Halton" today. It's just one click. One call.

Please email me at gary.carr@halton.ca, or find me on Twitter @garycarrhalton or on Facebook.

—Gary Carr is the chair of Halton Region

CARING FOR OTHERS

You may find yourself caring for the health of another person - a family member or a close friend. When this person needs denture care, there's a lot you can do to help. It may be a little awkward and embarrassing at first, but go slowly.

soaked overnight. Be careful when cleaning around metal clasps and framework.

Get the other person to guide you in removing and replacing dentures (with complete dentures, remember uppers go in before lowers).

All dentures - removable or fixed - must be cleaned daily. Check dentures for cracks and stains. Fill the sink with water and scrub removable dentures thoroughly with a denture brush and soap. Rinse removable dentures in clear water after cleaning. Dentures should be

If you have any concerns regarding your dentures, feel free to give our office a call.
