Cruisin' for the Arts this Saturday at Williams Mill

Williams Mill Visual Arts Centre presents Cruisin' for the Arts this Saturday (Aug. 25), noon to 5 p.m.

Cruisin' in Motion, in partnership with Williams Mill, a non-profit arts organization, invite vintage car owners to participate in the first annual Cruisin' for the Arts event being held on the heritage site of the Williams Mill in the hamlet of Glen Williams. This is a fundraiser for Williams Mill.

The event is surrounded with a unique combination of vintage vehicles set amongst the backdrop of the three-storey timber and clapboard Mill building (circa 1825) and the former Georgetown Electric Light Com-

pany Power Plant stone building (circa 1898).

Vintage car registration is open at 11 a.m.
