IN MEMORIAM

Audrey Youmans

August 28th, 2011 was the most heartbreaking day of all. In the afternoon while you were shopping I got a call. I quickly rushed to the hospital to see you, someone said "I'm sorry she is gone". I stood there in disbelief, this could not be happening! I held your hand and prayed that you saw me by your side in the last beats of your heart. "Please MOM NO!! We never got to say goodbye, you were gone before we knew it, to the castle in the sky. God, why did You take her so soon, I know You must have made a mistake that day! I think of you everyday, trying to make sense of why God took you. I keep hoping that you will come around the corner with that beautiful smile. I catch myself dialling your number to ask for advise or just to talk "Oh Hi Honey" you use to answer. I miss your red lips after you drank wine, I miss how innocent you could be, but also how loud and embarrassing you were. I miss the birthday cakes you baked with love, the gravy that only grandma could make. I miss the smile on your face when you were throwing the ball to your grandkids. If I could have only one wish, I would wish for just 5 minutes to tell you how much you mean to me and to tell you that you were a great mother. I know you sent the hummingbirds, but it still does not take away the empty place in the soul of our family, you were the heart! I sit in the garden that was created for you and I talk to you, I hope you are listening. God please tell my mother how much I really miss her and please give her my love.

I love you mom now and forever.

Karen your loving daughter

IN MEMORIAM

SHANNON, Linda Anne
August 27th, 2011

In loving memory of a dear daughter and sister.

A precious one of us is gone,
A voice we loved is stilled,
A place is vacant in our hearts,
Which never can be filled.
God took away our angel,
To keep her free from pain,
We know He will care for her,
Until we meet again.

Forever loved and deeply missed by,
Dad, Mom,
brothers, Robert and John
and all who knew and loved Linda

Audrey Youmans

September 22nd, 1940 to August 28th, 2011

Missed but never forgotten.

If tears could build a stairway
and memories a lane,
I would walk right up to Heaven
and bring you home again.
No farewell words were spoken,
no time to say goodbye,
You were gone before we knew it,
and only God knows why.
My heart still aches in sadness
and secret tears still flow,
What it meant to lose you,
no one will ever know.

Sadly missed by the true love of her life,
her children.

Karen, Melody, Connie and Brad

Norval United Church team travels to Nicaragua to build homes and wastewater system

Six members from Norval United Church traveled to Managua, Nicaragua for ten days of learning and service.

The team, comprised of two adults and four students, lived with host families, learned about Nicaraguan culture and history, and visited with United Church global partners at Los Quinchos School (a school for street children) and the Moravian Church of Nicaragua.

During their time there, the team worked alongside local trades-people to build two modest-sized homes and a waste water system in Barrio Grenada, one of Managua's poorest

neighbourhoods. The raised platform houses were most appreciated, especially when the rainy season descended in late May, washing out dirt floor houses in that neighbourhood.

Since the revolution and counter-revolution of the 1980s, Nicaragua has remained mired in poverty and to this day is the second poorest country in the Western Hemisphere, behind Haiti.

The team from Norval United Church brings home many insights into what creates systemic poverty and what we can do as northerners to advocate for global justice.

Patty and Maybelline are laid-back beagles

By JUDITH-ANNE KOLU

Upper Credit Humane Society volunteer

Can anyone look at those faces and not smile? Patty and Maybelline are as happy and content in person as they appear in this photo.

These attractive girls are tricolor beagles. Patty is a young six year old, weighing 40 lbs, while Maybelline is five and tips the scales at 38 lb. The walkers affectionately nickname the girls "our Teletubbies" because of their lovable rounded silhouettes.

Patty and Maybelline are amazingly optimistic and friendly. CALM for their breed with gentle demeanour belies the fact that behind those trusting eyes and wagging tails, their previous life has not been optimum.

Since arriving at UCHS (from another rescue) they are well on their way to being housebroken; are good to walk on lead even in tandem. Kind, gentle children are accepted with trust and there appears no animosity to other dogs.

Cats, however, will not be tolerated!

They have their basic commands, and are MEDIUM energy and relaxed on interaction. Each have received a clean bill of health from the vet with the added plus that through the Trooper's Fund dental surgery and cleaning were also provided and a new owner would save the expense and enjoy fresh breath and that "Colgate" smile!

Patty and Maybelline are bonded friends who really enjoy each other so we hope that this charming twosome can find a home together. If your family would love to add two easygoing girls and show them the world they have been missing, you would have a ready

made canine family who will bring joy to all who meet them.

If you think your family would be a good fit, call the girls at the Shelter 519-833-2287 or email adoptions@uppercredit.com to come for a meet and greet....smiles and wagging tails await!
