- See the landfill and waste collection machinery up close and in action
- Find out why there are no seagulls at the landfill
- Take part in an environmental craft provided by Conservation Halton
- Enjoy a cash BBQ provided by the Lion's Club of Milton (while quantities last)

Free parking on-site.

This is a wheelchair accessible event.

Celebrating 20 Years of Environmentally Safe Waste Management!

The Halton Waste Management Site originally opened in 1992 with a life expectancy of 20 years or until the year 2012. Due to the tremendous efforts of Halton residents using their Blue Box, GreenCart and diverting waste, the landfill life is now projected to the year 2040! If all the initiatives in the 2012-2016 Solid Waste Management Strategy are successfully implemented, the landfill life will extend another four years. Our landfill is a valuable resource worth protecting!

Bring an old electronics item like a TV, computer, laptop, VCR player, etc., for recycling, and receive a free meal voucher* to be used at the 20th Anniversary. Limit one voucher per family.

* Meal voucher is equivalent to one hamburger OR two hotdogs, AND one drink

Help us make this event "waste free."

Let us know if you are planning to attend so we can prepare the right amount of food and materials. Send an email to hwms20@halton.ca.
