**IN MEMORIAM**

**Florence Margaret Hutchinson**  
January 2nd, 1944 - September 9th, 2010

Wife, mother and Grandmother.

There comes a time for all of us  
When we must say goodbye  
But memories of those we love  
Live on and never die.

Although the curtain falls at last  
Is that a cause to grieve?  
The future life is brighter still  
If only we believe.

So trust in God's eternal care  
And when the Master call  
We'll know a fairer world beyond  
Although the curtain falls.

*Lovingly remembered by,  
the Hutchinson family*

**Bulk Barn supports Alzheimer's Society**

Bulk Barn owner Tim Hucks was joined by cashier Danielle Paiva as they displayed some of the "Coffee Break" decals Bulk Barn is selling in aid of the Alzheimer's Society in its 17th year of fundraising. Georgetown Bulk Barn will once again be supporting the program by collecting one dollar donations through the sale of the Coffee Break cups between Sept 7-21. This year Bulk Barn will be celebrating their 30th anniversary, and in celebration of this and a continued commitment to the cause, for the first time Bulk Barn will be having a Corporate and Franchisee Dollar Match Day on Friday Sept. 21. This means that for every dollar of customer donations, three dollars will go to the Alzheimer Society up to a maximum donation of \$10/ person. Last year Bulk Barn stores raised \$189,107, and collectively stores have raised over \$1 million in support of Alzheimer Society Branches across Canada.

**Start something big in Big Brothers Big Sisters Month**

September is Big Brothers Big Sisters Month! The impact that a volunteer can make in a child's life is life altering. The following is a testament to the power of mentoring:

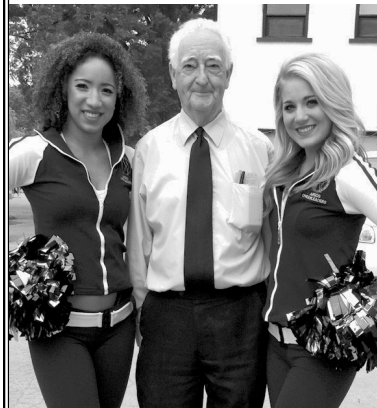

Ben's\* mother approached the agency 11 years ago looking for support for her son. Twelve year old Ben had recently lost his fa-

ther to a fatal road accident and was struggling to cope with his loss. Within a few months, he was matched with a Big Brother, Steve\*, and this was the beginning of a lifelong friendship. Ben and Steve were matched for 7 years until the match graduated from the agency. To this day, they continue to see each other regularly. Ben, now in his 20s and currently enrolled in the Police Foundations Program at a local community college, called the agency five months ago and expressed his interest in becoming a mentor. Ben speaks eloquently about the impact of his Big during his teen years, and wanted to give back to the community in a meaningful way. Ben is now matched in the In-School Mentoring program with a little boy who recently lost his father. Ultimately, the power of mentoring can change multiple lives through one single action.
