The trip to the Drayton Festival Theatre to see *A Perfect Wedding* had to be cancelled due to lack of interest. The arrangements have to be made at least four weeks ahead to reserve seats. If you would like information on trips that will be happening in the next few months, please call 519-853-5951, and the receptionist will be happy to tell you what trips are planned. Every Monday and Friday morning from 9:30 a.m. to noon, a representative is at the travel desk available to answer any questions.

There is a trip planned on Thursday, July 12. You will be enjoying a three-hour lunch cruise on Lake Scugog, followed by a visit to a local winery, and have the chance to shop at the White Feather Coun-

try Store. Sounds like the perfect way to spend a summer's day.

Thinking of trips, if you signed up for *Forever Plaid*, I have to send a cheque to confirm ticket numbers, so please drop in during the next week and pay.

Next week is a busy week at the Centre. On Monday, June 17, 40 members and friends are going to Mohawk to enjoy the buffet dinner and the races. I know some will slip downstairs later to enjoy playing the slots.

On Tuesday, June 19, at 2 p.m., we will be celebrating the birthdays of all members who were born in either June or July and on Saturday, June 23, starting at 7 p.m. we will have our second evening of playing Bingo. All Bingo players are invited. I know everyone enjoyed

the last one. Refreshments will be available.

If you have a computer you can check out the Acton and Georgetown Seniors web site at [www.haltonhills.ca/seniors](http://www.haltonhills.ca/seniors)

You will find lots of information including locations, phone numbers, volunteering, trips, programs, social events, becoming a member and any special events that will be held over the next few months at both Centres.

There was a record number enjoying the Tuesday afternoon movie, *We bought a Zoo*. Watch this column for the next movie on July 17.

On Thursday afternoon there were two mooners – Roberta Thompson and Elma Braida.

The 50/50 was not won again this week, so the total should be around \$200 on Friday.

## Halton named top electronics recycler

Halton Region has been named a top municipal electronics recycler by the Ontario Electronic Stewardship (OES) for working with residents to divert 1,584-tonnes of electronic waste from the landfill between April 2009 and December 31, 2011.

Halton has offered e-waste recycling to residents since 2002, and partnered with OES in April 2009, allowing the Region to make the recycling of e-waste more convenient for residents by providing a free recycling location for e-waste at Halton Region's landfill site.

"Working with Ontario Electronic Stewardship has provided our community with a convenient and efficient way to ensure electronics are diverted from Halton's landfill site," said Gary Carr, Halton's Regional Chair. "Being recognized by OES as one of the top three municipal electronics recyclers is a testament to the hard work of our Halton residents who continue to participate in all of the Region's waste diversion

programs in order to help protect the environment."

The ongoing efforts from Halton residents to properly recycle their electronics through Halton Region's programs have played

a major role in helping OES collect more than 100,000-tonnes of electronics from municipalities – that's more than 16-pounds of e-waste per person in Ontario in just three years.
