Halton Catholic Board welcomes students back to class on September 5

In a welcome Michael Pautler, the Board's Director of Education said, "To the students and families that are new to our school board, we are delighted that you have chosen to join our Catholic Learning Community, and we are confident that you will soon come to appreciate why Halton Catholic is recognized across the province as an exceptional school system."

This school year includes: Full-Day Early Learning Kindergarten Program has expanded to include 10 Catholic elementary schools including Holy Cross, and St. Brigid Catholic Elementary Schools in Georgetown.

The Halton Catholic Board is pleased to begin offering the International Baccalaureate (IB) Grade 11 and 12 Diploma Programme at St. Thomas Aquinas (STA) Catholic Secondary School, beginning in September.

Construction of the new Catholic secondary school in Milton is progressing well. The school will be ready for occupancy in September, 2013. Monthly construction reports and updates are posted on the Board's website.

All student bus information, including bus stop times, stop location and route numbers, is available online at www.haltonbus.ca. Parents should note that in order to access student transportation information, either online or by telephone (1-888-803-8660), it is necessary to know their child's Ontario Education Number (OEN). The Board reminds all motorists that with the start of the new school year, to please exercise caution when driving near school zones, crosswalks and school buses with flashing lights.

Trustees of the Board meet twice a month, on the first and third Tuesday of each month at 7:30 p.m. The meetings routinely take place at the Catholic Education Centre in Burlington. This year, as a component of

the Board's ongoing efforts to engage members of its community, they will hold two meetings within school communities across Halton. More information will be communicated at a later date. The Board's website provides relevant information, as well as links to individual school pages.

"We look forward to continued progress this coming school year," says Chair of the Board, Alice Anne LeMay. "Amidst the unrest and uncertainty surrounding the issues around province-wide labour negotiations in the education sector, the Board wishes to reassure our parents and students that we will not lose sight of why we are here. We anticipate the start of the new school year, as scheduled, on September 5th."
