

SPECIAL CURLING: The Acton Curling Club is offering a new class – Special Olympics Curling – this season under the guidance of head coach David Kurdell (centre) of Georgetown. At Saturday’s registration were, from left: Mark Greig, Rebecca Delaat, Kim Suliva and Jeff McDonald. – *Ted Tyler photo*

Police/Fire Report

Sewer smell

Sewer gas from a Regional sewer flushing operation was identified as the probable source of an unknown odour reported by a Willow Street resident at 7:32 Sunday morning.

Acton firefighters called in Halton staff after their monitoring did not show any readings. Staff made sure the house’s plumbing was functional and the odour was dissipating and checked back later to confirm all was well.

CO calls

Acton firefighters advised a Main Street North resident to have a wood stove checked as the possible source of carbon monoxide that triggered an CO alarm at 2:11 a.m., and again at 9:24 p.m. last Thursday. After the first call, when no CO was detected, firefighters installed a new smoke alarm in the basement. They suggested the wood stove be investigated after the second call.

Injury accident

Accident firefighters pulled an injured woman from her vehicle following a two-vehicle accident in the area of 25 Side Road and Fourth Line, Nassagaweya at 2:07 last Monday morning. The female’s vehicle was on its side when firefighters arrived on scene – a fire in the second vehicle had been

put out by a civilian. No other details were released.

Help yourself

A wallet with identification and a credit card were stolen from an unlocked vehicle parked on Hill Street overnight

September 19.

Dung delivery

Ketchup and animal feces were left in a vandalized rural mailbox on Highway 25, sometime between September 21 and 24. Police have no suspects.
