

Help plan the future

Halton Hills Mayor Rick Bonnette wants citizens to save November 22 on the calendar to help celebrate release of the Community Sustainability Strategy. Titled "Imagine Halton

Hills" the blueprint is designed to help shape the future of Halton Hills to 2060, focusing on cultural vibrancy, economic prosperity, environmental health, and social well-being.

The Town wants initial feedback on the strategy and the vision: "In 2060, the urban and rural communities of Halton Hills balance economic prosperity with a deep commitment

to the natural environment, while retaining viable local agriculture and small-town feel, and being socially equitable, culturally vibrant and strongly connected."

At the event, the Town also wants to prioritize the Strategy's nearly 160 goals, begin to identify potential community partners, network and talk about sustainability. It said citizen participation is crucial to making sure that right choices are made.

The meeting is from

6:30 to 8:30 p.m. on November 22 at the Mold-Masters Sports-Plex in Georgetown. Please RSVP by November 9 to Jennifer at jennifers@haltonhills.ca or 905-873-2601 ext. 2290.

WORLD CHAMPION: Acton's Emily Boycott, shown here at a National meet, recently captured the Down Syndrome International Gymnastics Association World Championship title in Rhythmic gymnastics in Leicester, England. For the first time in this competition format, Boycott proudly stood on the podium as the Canadian flag was raised and O Canada played. -Submitted photo. See story page 3.
