

# GRAPEVINE

**Andrews' award**  
 Congrats to Andrew's Scenic Acres, on 10 Side Road south of Acton, one of the regional agricultural sector winners in the Innovation and Excellence awards handed out annually by the Premier of Ontario.

Using cost and energy saving innovations, including underground winter storage for dahlia bulbs, Andrews' produces award-winning fruit wines, and an on-farm market sells berries, root vegetables and fresh cut flowers. There also is a 100-acre pick-your-own berry farm featuring blueberries, raspberries and black currants.

**Musical tribute**

The Halton Hills Concert Band, Milton Citizens Band and pipers with the Halton Regional Police Service Band will perform at a special Remembrance Day concert billed as: With Glowing Hearts.

The Remembrance Day musical tribute to the Armed

forces is Saturday, November 3 at 7 p.m. at the Georgetown Christian Reformed Church in Trafalgar Road.

**Shinny call**

Interested in playing shinny once a week at Acton arena? Players are wanted – spare goalies are always needed – for the Thursday night games, which are played from 10 to 11:30 p.m. Call 416-895-5500 for details.

**Winter is coming**

For the next five months, beginning November 15, parking is prohibited daily from 2 to 6 a.m., on all Town roads to ensure snow clearing crews can do their job without having to deal with parked cars.

Patrolling Enforcement Officers can issue tickets or have offending vehicles towed. Because improper snow and ice clearing can be hazardous to vehicles and pedestrians, the Town asks people not to push shovelled snow across roads as it makes road icy.

**STORM DAMAGE:** For the second time in recent years, owners of the property at Tidey Avenue and Elizabeth Drive lost a tree during high winds. This pine tree was downed early Tuesday morning. – Marie Shadbolt photo

## Going that extra mile

To the Editor,  
 People who care. They're still out there...

I would like to praise the staff of Pharma Plus Drugs at the Acton Plaza.

My husband and I don't often experience such caring and friendly service.

I received a call one morning from Carol (the

pharmacist of the day) telling me she awoke in the middle of the night thinking about my situation and came up with a suggestion for alternative relief for me while I am waiting months to see a specialist. She even faxed it to my doctor on my behalf...

He concurred with this

suggestion and I am now trying it.

I would like to thank Carol, as well as Lynn and all the staff for the outstanding care and friendly service we continue to receive.

A. McNamara  
 Acton, ON

## Firefighter thanks

Dear Editor,  
 East Wellington Community Services wishes to extend their thanks to the Guelph Eramosa Fire Department for its support in hosting our car seat clinic and making firefighters available to us for education opportunities. We often call them to arrange a field trip for the children's

program and they are accommodating, professional and get down on the children's level.

For our Open House, they not only brought fire hats for all the kids, they also brought activity kits and brought the fire truck for the kids to get a close up view. How lucky we are to have a dedicated

group of volunteer firefighters in Rockwood.

Thank you for your ongoing support of East Wellington Community Services.

Sincerely,  
 Marlene MacNevin  
 Manager, Children's Services  
 East Wellington Community Services

**HAIR RAISING WIN:** Blue Springs Spa and Salon's Ladylyn Gool, working on a model, captured third place in Schwarzkopf's Hairapalooza, a recent hair competition featuring 31 Ontario hairstylists across Ontario in Toronto. – Submitted photo

## CORRECTION

Count Voltar - the Streetcar Travelling Vampire - is the scary volunteer who helped guests celebrate Hallowe'en at the Halton County Radial Railway in recent weeks. His title was misstated in last week's issue.
