## Two wins for Peewee Charger Select team

Exceptional teamwork in their first game this season gave Acton Select a 9-2 win over Erin-Hillsburg. Great passing and awesome defence at both ends of the ice made for an exciting game. Goals were scored by Brady Borges (2), Jake Case (2), Lucas Scully (2), Jack Timmerman, Ethan Constable, Makayla Dee. Assists

went to Borges (2), Case (2), Scully, Timmerman (2), Dee, Devonte Teves-Benjamin, Andrew Grant, and Ben Armstrong.

This past weekend the Selects hosted game two against Cambridge. It started off slow, but persistence prevailed and the Chargers had a very strong third period, with lots of pressure from

Cambridge in the last two minutes. Acton netted an empty net goal for the 5-3 victory. Goal scorers included Brady Borges (3), Ethan Constable, and Lucas Scully. Borges, Constable, Makayla Dee, Jake Case and Jack Timmerman had assists.

There was solid and timely goaltending in both games from Ethan Krusky and Josh Dunbar.

## Silver Stick Silver for Atom AE Tanners squad

After steamrolling their opponents through the first four games at the International Silver Stick Tournament in Collingwood, the Acton Atom AE Tanners suffered a heartbreaking loss after an inopportune bounce with just 38 seconds left in overtime of the championship game.

The Tanners, sponsored by Drexler Construction & Chudleigh's, opened the tournament against Dorchester, and got on the board early on a breakaway goal by Mike Jankowski from Matthew Geim. Jaret Rosenberg extended the lead unassisted before Jankowski added a late tally in the 3-1 victory. Cale McWilliams got the win in net.

Acton faced off next against Paris, and again opened the scoring on a breakaway goal by Mi-

chael Haggett. Evan Ashe slipped one in off a face-off before Haggett buried another from Logyn Nyitrai. Kevin Reppar and Braedan Lazenby setup Jankowski to seal the 4-1 win. Chris Harriott picked up the win.

In game three against Saugeen Shores, Jankowski powered the Tanners to a 5-1 victory with a hat trick, with the rest of the scoring by Rosenberg, who also had an assist. Owen Kennedy scored, and Laek Swain an assist. Harriott and McWilliams split the net duties for Acton.

In the semi-final, Acton squared off with Chatsworth. After a scoreless opener, the Tanner offence exploded in the second after Aydin Reddeman slipped one by a downed Rebels goalie. Rosenberg & Haggett

each scored unassisted before Ashe scored on a feed from Haggett. Defense-men Thomas Holmes and Zach Timbers battled the Rebel forwards down the stretch to help preserve the 4-1 win.

In the championship game against Collingwood, the Tanners came out flying and dominated the scoreless opening frame, with the puck rarely leaving the Blackhawks' zone. Early in the second, Riley Drexler and Kennedy banged around the Hawks net on a penalty kill with Drexler eventually knocking in the opening goal. After the Hawks quickly answered to send the game to overtime, both teams battled hard in OT but with just 38 seconds left, the puck ricocheted in front of Acton's net where a Hawks player was waiting to bang it in.
