LAROSE, Kelly December 29, 1987 - January 10, 2013

Scientist, artist, outdoorswoman, debater, daughter, sister and best friend, Kelly was taken too early. The great promise shown, especially in her art and her work in chemistry, will now never be realized. She will be forever loved and greatly missed by parents, Nancy and Richard Larose of Acton, her brother Kyle of Waterloo, of whom she was so proud; her loving aunts and uncles, Roger and Cynthia Brooks, Donald and Janice Brooks, Francine Larose, cousins Nicole and Devon Brooks. She is fondly remembered by Barb Mathieu and Ross Berrigan, Gordon and Donna Mathieu and her numerous friends. Several special people believed in and helped Kelly pursue her vision. Our thanks go to Doctors Billing and McNevin of Kingston, for their dedicated and compassionate care and to her co-workers at Green Centre Canada, Kingston for mentoring Kelly. Also our sincerest thanks go to Dr. Carey Bissonnette and all her professors (University of Waterloo) for positively touching her life. In celebrating Kelly's passions, remembrances can be made to The University of Waterloo (uwaterloo.ca/support/) towards a bursary for chemistry students or to the "Friends of Killarney Provincial Park" (friendsofkillarneypark.ca)

Never stop believing in and chasing your dreams.

IN MEMORIAM

GORDON KEIR SAUNDERS JUNE 15, 1937 - JAN 22, 2007

To a great husband, terrific father, and a fantastic grandfather -
*They say there is a reason
They say time will heal
But neither time nor reason
Will change the way we feel
For no-one knows the heartache
That lies behind our smiles
No-one knows how many times
We have broken down and cried
We want to tell you something
So there won't be any doubt
You're so wonderful to think of
But so hard to be without
He was a friend for all, so raise a
glass this day,
As if he was there and remember he
would be the first to say
"I had a great time, I laughed all the way"*
Forever missed by your wife
Verna, your daughters Darlene and
Jacqueline, and your grandchildren
Keira, Dylan and Shane
